

What are we doing?

We are going to perform as a marching band for the neighborhood of Huntington Heights on Halloween.

We will dress in costume, wear Santa Hats, and play Christmas music with a Halloween twist from 5:00pm-7:00pm.

Why Christmas Music on Halloween?

Mainly because it will be entertaining and unexpected. Most everyone is familiar with the melody of Christmas music, so getting back into practice with that instrument you haven't picked up since high school marching band will be way easier than if we selected something like "Flight of the Bumblebee". Sheet music will be provided. Practice and rehearsal times are flexible. Practices and rehearsals will be held here in the neighborhood in a home. There will be refreshments, merriment, fun, support, and learning.

How do I start?

Contact Michelle by phone 229-3399 or by email w5nyv@yahoo.com. Put "halloween" in the subject to make sure you don't get yonked by the spam filter. Visit <http://www.bigideatrubble.com/HHHH/>

But I'm not any good!

We don't care. Really. You will get better (only) if you practice. So, come practice with us!
